THE MOUTHPIECE

MESSAGE FROM THE BARON & BARONESS

Greetings to the populace of Montengarde I would start this month's letter by thanking every one that has been so supportive to us in the last six months thanks to you we are getting the confidence to do this job that we have been given. We have faith in our officers and the populace we appreciate your council.

We have set out on a very aggressive fund raising campaign since June and have received great support. I am going to create a spreadsheet and post it on the stables and in the mouthpiece every month so everyone can see the progress in building the account. I would like to clarify a few things about baronial moneys I think there are some misconceptions about why we are raising money for the group. Let me answer a few of the questions I have been asked. How much in debt is the barony in? Answer: The barony is not in debt we have a bank account with around three thousand dollars in it. Did the barony have their funds embezzled? Answer; The barony has a two signature cheque system that make it very hard to take funds from the bank account, to my knowledge no moneys were taken with out councils approval. How did our account get so low? Answer; We have had three years of more expenses then income. How much money should we have? Answer: To be comfortable in running and planning events we should have no less then six thousand dollars and ten thousand would be even better. Thanks again for reading my words and let me know if I can answer any more questions

MESSAGE FROM THE CHRONICLER

Greetings unto their Highnesses, their Excellencies, and unto the populace of Montengarde.

You may notice that this month's issue has no special articles. What ever can this mean? Well I am glad you asked, it is not because I didn't have time to write an article, or that I didn't want to write an article, it is because I believe that this is a newsletter for the people and therefore by the people. It is only with the help of everyone out there that we can have a really super great newsletter. You may think that you have nothing to add, but I think you do. Write a poem, tell a story, a research article, draw a picture, take a picture, tell your friend (who may write or draw) that the Mouthpiece needs their submissions.

I would however like to take this opportunity to thank all those wonderful people who took up their quill and started to write. Your articles, tidbits of information have been wonderfully enlighting and extremely helpful.

If you have any questions please feel free to email me at dtassell@shaw.ca.

Yours in Service,

L. Tayaha

- Hero – We pay \$1200.00/yr for the current storage facility.
- James – One concern is that in the spring there is water leakage and our stuff needs to be up off the ground – if we had proper shelves and proper tubs it would be good
- Hero – Concern – usage, even though storage was available to her for archery storage it was never used.
- Kathryn – However for those people that do not have the space to store stuff the storage locker comes in handy.
- ISSUES – Do we want it? – is there a better space? – do we want to renew this rental agreement?
- Caitlin – Would like those people who would like to use the storage space what they would put in there and how much space does everyone need.
- - it was suggested at 1 point in time that an inventory deputy was needed – a person to make sure everything is accounted for

REPORTS

Seneschal's Report (July 2004)

This has been a very busy month for me. The problems we have been having getting the NMS cheques to Principality (partly due to a cheque getting lost in the mail, partly due to cheques not being sent promptly) has finally come to a head. Luckily, we have been actively working on this so we are very close to being completely up to date. A few other problems related to my lack of experience in this position have required a lot of my attention as of late, but I'm well on the way to figuring everything out.

This brings me to an important note. A complete lack of training or transition for new officers is a Very Bad Thing. I've been learning this office on the fly and it has made it far more difficult than I'd have liked. All major officers should have Contingency Deputies in place who can fill in if need be. Also, all officers should do whatever possible to ensure that a new replacement is found BEFORE you burn out or step down. I know this isn't always possible, but it is very important.

If anyone is interested in learning about an office and the duties of any officer, please consider becoming a deputy and learning the ropes. It doesn't mean that you automatically replace them when they leave, but it means you know what's going on if you choose to apply when a vacancy occurs.

Finally, I encourage ALL members of the populace to come to Council meetings. It is an excellent way to get involved and to see what goes on "behind the scenes". Have a say in how the Barony is run and join us.

Some of the items handled (or not) since last report include:

Received a generous donation of old copies of Tournaments Illuminated. These will be used to start a Baronial Library. Watch for more information.

Paperwork has been submitted for Samhain.

Have not been able to change bank signing authorities. Minutes of last months special meeting have not been received from Meriwyn. Hopefully we will be able to do this soon.

We are also hosting the August Tavern. There will be a BBQ and Bake sale that day, with the proceeds being split between A&S rental space and FP rental space. Please come out and support your Barony!

Sable Minotaur Persuivant's Report (July 2004)

There was a mini Baronial Court at Quad War
Corr was made Standard Bearer (no last name at this time, maybe when he gets married someone will then own him and GIVE him a last name).

Beothuk is doing a fabulous job helping people with their book heraldry, or so he keeps telling me. The Baronial Library will be going to him as soon as

it can be arranged, when I get off my lazy behind and haul the stuff out to my car. I want to state it for the record that giving him the library is not my way of making it impossible for him to refuse the position in February.

Not at all. How could you think such a thing? Maybe I'll sic him on Corr if Corr's impending marriage doesn't do the job.

The Office also has an extremely old, never used object, a Lap Top that I would like to be rid of, the dust on this strange thing is bothering my allergies and I can't breathe. Mind you , I suppose I could stop sitting with it on top of my lap. sigh. Bloody Apothicaries... I was told it would be useful if I did so but it is hopeless. I am hoping SOMEone will give me permission to be rid of it. Obviously I am horribly ill due to the stress of looking at this demon wrought creature and I need to be rid of it. I thihnk it has Win 95 on it or something even older.

As well the hordes of old paper in the also dusty old binders will be gone through and probably mostly recycled by myself and Beothuk if I can trick him into agreeing to such a nasty evening. Perhaps if I get him drunk.

FIGHT PRACTICE NOTICE

Greetings!

First of all, I would like to extend my thanks to the Barony's Champion, Mainsbridge for making an effort to try something different to get heavy fighters out and at practice. Traditionally, during the summer, attendance at practice (especially for heavy fighters) takes a downturn and anything which might help change that trend is greatly appreciated.

As I mentioned to Mainsbridge when we discussed the possibility of moving Tuesday practices in the NE, if practices are held in the NE and attendance warrants it, a change in location and making them official SCA practices (i.e. covered under SCA insurance, following the ABCs and having a marshall present) is entirely possible. However, given that it is now the middle of August and we move inside as of October 1, the "official" location of practice is highly unlikely to change. That being said, a high attendance at a NE practice will certainly give weight to any discussion of a change in location of outdoor practice for next May.

Location of practices: I highly encourage people to contact the MoS directly with their concerns and opinions concerning the location of practices. Many factors need to be taken into consideration when determining a practice site and getting feedback from the people that this directly impacts helps for better administrative decisions.

IMPORTANT NOTE: AS OF OCTOBER 1, 2004, FIGHT PRACTICES WILL BE MOVED INDOORS AND WILL TAKE PLACE AT THE REHAB (#7 - 11ST NE) AT 6:30P.M. ON THURSDAYS. SITE FEE FOR EVERYONE WILL BE \$3.

If anyone has any questions, concerns or comments, please do not hesitate to contact me at carrie@wilcraft.com.

Best regards,

Kathryn
MOS, Montengarde

LETTER FROM THE BEAD MAN

An Open Letter to the Populace of the Principality of Avacal:

Greetings unto you all!! As I am sure that most of you are aware by now, I suffered a major stroke on May 22, 2004 as I was in the process of being discharged from Cranbrook Hospital. Due to the severity of the stroke, I was lucky that the stroke occurred in Cranbrook Hospital. I am now on the way to recovery, but still have a long way to go.

My health problems in the past year have prevented me from merchanting at several of the SCA events that I normally attend. For those of you who have looked for me so as to purchase merchant goods from THE BEADMAN, I am still actively selling and obtaining the beads, trim, etc. as I have in the past.

My lady, Lady Tegan Thorbergdottir, is assisting me in my business. You may place orders through her by telephone (403) 542-7830 or by e-mail (montanabluesky@hotmail.com). My telephone and fax machine numbers are, at present, not in operation.

I wish to thank all of you who have sent good wishes my way. They have been very much appreciated, and have helped in my recovery.

I still plan to participate in SCA activities and events as much as my illness and my doctor allow me to do so.

Thank you all for your support, and my best wishes to all of you.

I remain, in service,

Lord Ragnulf Bjarnison
