

## Summer Skirmish Survival Guide

### Food & Water

- Pack a lunch and bring some water. There will be food trucks, water on site, and some baronial snacks, but be prepared.

### Parking

- Free Parking can be found at Master's Academy (North) and Flames Community Arena (South). If you arrive before 8:30 am and don't plan on leaving until after 5 pm, there is some parking in the first lot. The food trucks will be in the main parking so no parking there. Car pooling is recommended.

### Being an Ambassador

- Mostly just share what excites you about the SCA. There are lots of folks with you who have a wide range of experience to also share.
- Keep it brief as we are but one of many groups on site.
- Avoid jargon or at least explain it. How would you explain this to your friends?
- Keep it family friendly and avoid talking about things like alcohol.

### What should I bring?

- A chair, sunscreen, bug spray
- Bring appropriate artifacts. Any sharp item (or has potential for harm) needs to be supervised by at least two volunteers or removed from display until they can be properly looked after.
